Sir,

With reference to para 7 of Government Proceedings No 17529-33 / L.F. 203-92, dated 24th April last, deducting a sum of Rs 20,261 being the amount of appropriation for incomplete works of 1891-92 under District Funds, I have the honor to state that in the amount of Rs 20,261, a sum of Rs 5000/ was included as appropriation for the Belur bridge work for which application ought to have been made separately without including the same under District Funds,— Since the grants for this work, have from the beginning been obtained as Special grants from Local Funds General. This mistake having been found out on receipt of the sanctioned

Sanctioned Budget for 1893 94, it was considered by the Board in its meeting on the 27th ultimo and the Board resolved to request Government to remove this item from the list Submitted and to allow this sum of Rs 5000/ to be appropriated for the urgent works demanding attention from a very long time and kept back for want of funds which were included in the Budget Submitted but were struck out on the grounds of funds being insufficient. With the explanation above offered it may be seen that the funds are sufficient including the five thousand rupees which rightly should Come from Local Funds General. The provisions would not have been cancelled if this circumstance had been clearly represented when the Budget was Submitted for Sanction. A Copy of the Proceedings has been Submitted with this office No 173 dated 24th and beg to invite attention to — Resolution No 1 in the matter.

2. Under the urgent works above alluded to Sanction of Estimates for the following works has been refused by the Chief Engineer for want of funds.

(1) Gooty Chengadikally Road. This is a small bit of road of about 4 or 5 miles

Order thereon

Out of the total estimate of Rs 1.86.565 sanctioned for the construction of the Belur Bridge, a sum of Rs 1.74.559 is stated to have been spent up to the end of June 1893. Of this, the Comptroller states, that a sum of Rs 1.70.65[illegible] was

was met from Local Funds General. It is not known from what source the remaining expenditure of Rs 3909 was met. Probably it still remains unadjusted. The Dy Comr now requests that the sum of Rs 12,006 remaining to be spent may be sanctioned from Local Funds General.
